Care Instructions for Ribbed Plush Throw Blankets

To care for your ribbed plush throw blankets, it's essential to follow these tips to ensure their longevity and maintain their plushness. Always wash them on a gentle cycle with cold water to prevent damage. Use a mild detergent and avoid bleach, which can cause discoloration and degrade the fabric. After washing, tumble dry on low heat to retain their softness, or you can air dry them flat to avoid stretching. It's crucial to avoid overloading the washing machine, as this can lead to the blankets losing their shape and softness over time.
