About Our Brand.

Cabex India is a well-established manufacturer and exporter of industrial electrical components based in Jamnagar, Gujarat. Founded in 1995, the company has built a strong reputation for producing high-quality cable glands, earthing accessories, and lightning protection systems used across various industries such as oil & gas, power plants, and construction.

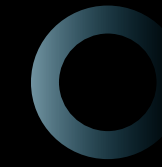

The company specializes in both industrial and hazardous-area cable glands, including explosion-proof and flameproof products that meet global standards like ATEX, IECEx, and CE certifications. These certifications highlight Cabex India's commitment to safety, reliability, and international quality benchmarks.

With a modern manufacturing facility and a focus on innovation, Cabex India delivers customized solutions tailored to client requirements. Its products are exported to regions including Europe, the Middle East, and Australia, reflecting its strong global presence.

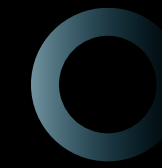

Overall, Cabex India is recognized for precision engineering, consistent quality, and its role as a trusted supplier in the electrical components industry.

Exceed Client Expectations

Long-Term Growth.

Cabex India has strong long-term growth potential driven by its focus on quality manufacturing, global expansion, and continuous innovation. Established in 1995, the company has evolved from a small brass component manufacturer into a global exporter of cable glands, earthing systems, and electrical accessories.

One of the key drivers of its future growth is its international presence. Cabex India exports to regions such as Europe, the UK, the Middle East, and Australia, which ensures diversified revenue streams and reduced dependence on a single market. Additionally, its compliance with global certifications like ATEX and IECEx strengthens its credibility and opens doors to high-demand industrial sectors.

The company's investment in research, advanced manufacturing, and customized solutions further supports scalability. With rising demand in industries like oil & gas, infrastructure, and power, Cabex India is well-positioned for sustained long-term growth and global competitiveness.

“

Thank You.

Cabex India sincerely thanks you for your trust and support. We are grateful for the opportunity to serve your industrial needs with our high-quality products and reliable solutions. Your confidence motivates us to continue delivering excellence, innovation, and customer satisfaction. We look forward to building a long-lasting relationship and achieving greater success together in the future. Thank you for choosing Cabex India as your trusted partner.
