SCULPTED MD

A modern voice in men's health

Spencer Carrado · Founder and CEO

Spencer is the visionary founder and CEO of Sculpted MD, focused on helping men pursue better health and wellness through personalized care.

THE INDIVIDUAL FIRST

Personalized care starts with the individual

Goals and lifestyle

Healthcare choices should align with each man's goals and lifestyle.

A considered path

Personal attention creates a more informed, considered path forward.

A BROADER COMMITMENT

Anti-aging, approached as long-term well-being

Sculpted MD's anti-aging solutions sit within a broader commitment to sustainable wellness, informed choices, and ongoing care.

Sustainable wellness

Informed choices

Ongoing care

Leadership with a patient-first perspective

Advance men's health

Advance men's health through innovation and personalization.

Make space for clarity

Make space for men to explore healthcare options with clarity and confidence.

THE SCULPTED MD POINT OF VIEW

The Sculpted MD point of view

**MODERN WELLNESS IS
PERSONAL: UNDERSTAND
THE INDIVIDUAL, CLARIFY
THE OPTIONS, AND SUPPORT
LONG-TERM WELL-BEING.**
